

French Delegation

| | |
|-----------------------------|---|
| ADR | Attitude Determination and Control Systems (ADCS) |
| Airbus Defence & Space | Space solutions, satellite tech, exploration, customer services |
| Axon Cable | Electronics: cable assemblies and connectors |
| CNES | French Space Agency |
| COMAT | Equipment manufacturer for the space sector |
| ConnectSAT Aerospace | Internet satellites |
| CORIOLIS COMPOSITES | Automated composite additive manufacturing |
| CROUZET | Mechatronic components |
| CT ENGINEERING | Engineering solutions |
| CYBERMECA | Aerospace industrial means of production design and manufacturing |
| DASSAULT AVIATION | Military aircraft and business jets manufacturer |
| EXAIL | Robotics, maritime, navigation, aerospace, and photonics technologies |
| EXOTRAIL | Software for space mobility |
| EXPLEO FRANCE | Global engineering, technology and consulting service |
| GIFAS | French space and aeronautics companies' association |
| HEXCEL Composites India LLP | Manufacturing advanced composite materials |
| KINEIS | Satellite operator and global connectivity provider |
| LEANSPACE | Digital infrastructure of space companies |
| LOOK UP SPACE | Space safety data and services provider |
| NICOMATIC INDIA | Customizable interconnectors for electronic systems |
| PROMETHEE | Operator of nanosatellite constellation for Earth observation |
| SAFRAN DATA SYSTEMS | Communication for space |
| SATINOX | Fasteners design and manufacturing |
| SEREME | Vibration, acoustic and shock test facilities |
| SODERN | Space optronics |
| SOPRA STERIA | Software development |
| SPACE FLIGHT INSTITUTE | Commercial Astronaut Certification Program |
| THALES ALENIA SPACE | Global space manufacturer |
